# New Caddy Cargo Brochure

Introducing the new Caddy Cargo. A modern, capable and versatile van that's perfect for you and your business.

With innovative new technologies and workstation, it's made to keep up with your workload so you can be ready for whatever comes next.

# For whatever comes next

Caddy Cargo with full wheel cover as standard, not shown.

Business-ready  
**inside and out**

**The new Caddy Cargo's interior is designed to create a convenient and robust workstation that allows you to stay on the road while running your business effectively.**

#### **More space**

The Caddy Cargo has an impressive **payload capacity of up to 718kg, including up to 100kg on the roof**. It also has **increased storage space** and a load area with **6 lashing rings** that help you do business seamlessly.

#### **Light the way**

Get used to safer, more comfortable driving with **powerful halogen headlights with range control** and **daytime running lights**, which are permanently switched on during driving, ensuring your safety. The Caddy Cargo uses interior energy-saving LED technology to illuminate your entire load area so you can see into every corner of your vehicle.

#### **Easy access**

The Caddy Cargo puts considered design into practice with convenient **rear wing doors** and **side sliding doors**.

#### **Adjustable side mirrors**

Electrically adjusted side mirrors that keep your sights on the road.

**The new Caddy Cargo's smart infotainment system keeps you connected and puts you in control.**

**App-Connect (optional)**

App-Connect allows you to conveniently use selected apps, content, or take calls from your smartphone at the touch of a button. Content is transmitted to the display screen and can be comfortably and clearly controlled within your line of vision.

**Infotainment at your fingertips**

The Caddy Cargo's smart infotainment system gives you control of your drive. Access all your infotainment through a multifunction steering wheel and control the Composition Audio 16.51 cm (6.5-inch) colour touchscreen radio. Comes standard with 2 speakers and USB type C socket.

# Connected technology

Innovative  
**driving**

Caddy Cargo with full wheel cover as standard, not shown.

**Every drive you take is more protected than ever with our most advanced driving innovations.**

#### **Driver assistance**

The Caddy Cargo makes driving comfortable and safe with optional **cruise control** and **optional park distance control with rear-view camera** that uses parking sensors to monitor the vehicle's sides to alert you if you're getting too close.

#### **Electronic Parking Brake (E-brake) and Auto-hold**

The Caddy Cargo uses both these brake technologies together for quick and easy parking. Auto-hold stops your car from accidentally rolling back or forward on a slope, while E-Brake lets you park quickly and easily.

#### **Modular Transverse Matrix (MQB)**

The Caddy Cargo comes with innovative modern technology made to improve your drive. The MQB unlocks access and sharing of the latest driving technologies across the Volkswagen range and creates a comfortable driving experience in the Caddy Cargo.
