

# New Caddy Kombi Brochure

The new Caddy Kombi's innovation and style are made to keep up with your life.

With the combination of a striking design and convenient flexibility, you're covered for every drive. From getting business done to all your family business, the new Caddy Kombi is there for whatever comes next.

# For whatever comes next

Local vehicle specifications may differ from model shown

**Whether you're doing school runs or work trips, always look the part in the new Caddy Kombi. The new distinctive style of the exterior combines striking design with practical consideration.**

#### **Stylish front**

The outside of the new Caddy Kombi now boasts a new honeycomb grille with dynamic lines for improved efficiency, and a stylish black bumper.

#### **Lighting the way**

Get used to safer, more comfortable driving with powerful halogen headlights and separate daytime running lights, that are permanently switched on during driving, ensuring your drive is a safe one.

#### **Doors and windows**

Convenient rear sliding doors and optional wing doors gives you seamless access into the new Caddy Kombi.

**Versatile and  
practical design**

# Functionality first

The new Caddy Kombi is packed with adjustable and robust features that let you quickly adapt to whatever life throws at you.

## Flexible Seating

With up to 7 seats with flexible configuration, a second seating row can be double folded and removed while the third-row seats (on 7 seat models) can individually fold and be removed to be as adaptable and flexible as life requires.

## More space

Handle more in less trips with the new Caddy Kombi. Both the new Caddy Kombi and Caddy Maxi Kombi models have a maximum load compartment volume of 2.5m<sup>3</sup> and 3.1m<sup>3</sup> with the seats removed. Enjoy increased storage space with a removable luggage compartment cover and handy draw storage.

## Adjustable side mirrors

Electrically adjusted, side mirrors that keep your sights on the road.

## The new Caddy Kombi's smart infotainment system keeps you connected and puts you in control.

### App-Connect (optional)

The optional App-Connect feature allows you to conveniently use selected apps, content or take calls from your smartphone at the touch of a button. Content is transmitted to the display of the infotainment system and can be comfortably and clearly controlled within your line of vision.

### Infotainment at your fingertips

The new Caddy Kombi's smart infotainment system gives you control of your drive. Through the multifunction steering wheel, you can connect from the outset to our Composition Audio 16.51 cm (6.5-inch) colour touchscreen radio. Comes standard with 4 speakers and an easily accessible USB type C socket.

Connected  
technology

# Innovative driving

**Every drive you take is more protected than ever with our most advanced driving innovations.**

## **Driver assistance**

The new Caddy Kombi makes driving comfortable and safe with optional features like Cruise Control and Park Distance Control. Using parking sensors to monitor the vehicle's sides, Park Distance Control alerts you with visual and audible warnings if you're getting too close.

## **Electronic Parking Brake (E-Brake) and Auto-hold**

The new Caddy Kombi uses both these brake technologies together for quick and easy parking. Auto-hold stops your car from accidentally rolling back or forward on a slope, while E-Brake lets you park quickly and easily, at the touch of a button.

## **Modular Transverse Matrix (MQB)**

The new Caddy Kombi comes with innovative modern technology made to improve your drive. The MQB unlocks access and sharing of the latest driving technology across the Volkswagen range and creates a comfortable driving experience in the new Caddy Kombi.
